Message from Rec. Board of Directors to all our homeowners,

As we say goodbye to 2025 and welcome 2026, we welcome and look forward to harmony, peace, and togetherness for our community.

**When we look back on 2025**, and ask as a community what have we learned?

- We believe we learned that we are a strong community who cares. We are a community where we can have a voice, we can express our opinions and still be respectful of each other.
- We have met and talked with homeowners that we would never have met, if not for the Special Assessment. New friendships have formed; some friendships were lost but through it all we came together.
- We say good-bye to 2025; we are thankful for every one of you. We feel the pain and sorrow of the homeowners we have lost this year but will always remember them in our conversations.

**When we look forward to 2026**, what does this Rec Board see:

- We see new board members who bring new perspectives and we welcome them and their voices.
- We see the projects at the Rec Center moving forward and completed.
- We see a community continue to grow closer and the Recreation Center get busier each day.
- We look forward to your innovative ideas for activities at the rec center and implementing them.
- We see the strength of Delray Villas community, and we are proud to serve your needs.
- We know the community of Delray Villas, appreciate, and understand all of us even though we will not always give you the answer you want but you know we care.
- We see the strength, pride, and respect in each and everyone of us who decided to call Delray Villas home.
- We see Delray Villas family/friends shine always!

**Let us all welcome 2026 with warmth, open arms, big hearts, respect and most of all love and joy.**

**We look forward to seeing you at the Delray Villas Recreation Center!**
